## MENSOLA 1 | SHELF 1

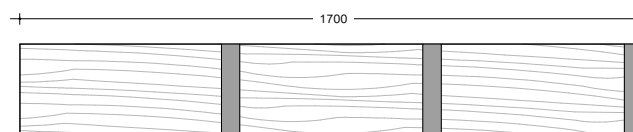

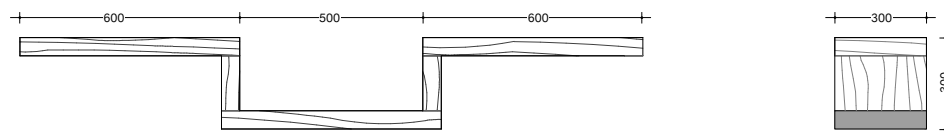

by arch. Luca Donazzolo

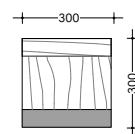

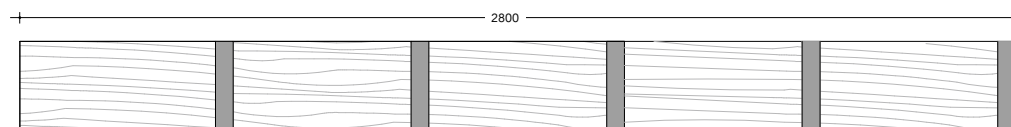

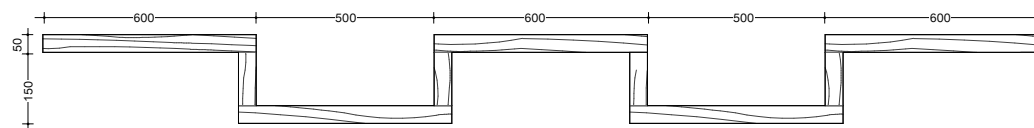

Definirla semplicemente mensola sarebbe riduttivo. Il suo dinamismo e le sue linee movimentate trasmettono una forte personalità e la percezione che sia un elemento attivo dell'arredamento: sarà lei stessa, infatti, con la sua struttura, a proteggere gli oggetti e a sorreggere i libri che andrà ad ospitare, senza lasciarli cadere di lato. Per una nuova estetica della praticità.

To call it just a shelf would be an understatement. Its dynamism and soft lines show a strong personality and the idea that it is an active element in home furniture. In fact, it will be, with its structure, the protection for the objects and support for the books it will contain, without letting them fall to the side. A new aesthetic of usability.
