TAVOLO 7 | TABLE 7

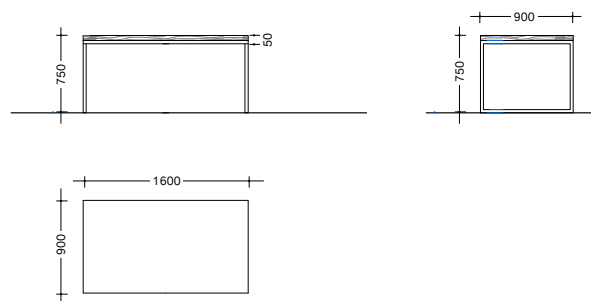

by arch. Luca Donazzolo

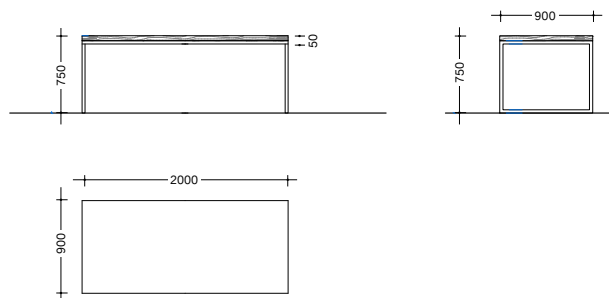

Solidità e leggerezza: sembra un controsenso, invece è perfetta armonia. Quella del Tavolo 7 che unisce l'ampio e autorevole piano in legno all'eleganza sottile delle gambe in ferro, con una semplicità che fa apparire tutto naturale. Come se fosse sempre stato così e non possa essere altrimenti.

Solidity and lightness: it seems a contradiction, but it creates a perfect balance. Table 7 combines a large, sturdy wood top with slender, elegant iron legs, so effortlessly that it seems natural. As if it had always been this way and could not be otherwise.
